Narendra Modi

When the history of the 21st century India would be written, it will remain incomplete without the mention of one man – Narendra Damodardas Modi. Starting as a tea seller in Gujarat, Narendra Modi made his way to become the Prime Minister of the world's largest democracy twice with convincing victories and an enviable parliamentary majority.

One of the key prowess of Narendra Modi is his ability to communicate with the layman of India. He is known for his powerful speeches, oratory and fiery statements without mining words. Narendra Modi's quotes, words and speeches is followed carefully by the Indians and across the globe.

We bring you the best and most powerful Narendra Modi quotes that will inspire every Indian.
